Gingerbread

Gingerbread cookie running away.
Trying to escape the hot cookie tray.

Chased by the baker, a pig, and a cow,
A town full of people who want him right now!
He was so nervous, he started to sweat.

Along came a blue river long, deep, and wide,
The fox said, "I can help!" on his belly grand.

He was worried, he knew he would crumble,
A fox said, "I can help!" on his belly grand.

The fox said "Hop on I will take you across
So, he hopped on, and the fox gave him a kiss.

And that was the end of the gingerbread cookie.
