beginning

In the deep ocean, there were two best friends. Nugget was a minnow and Fang was a shark. They did everything together.

middle

Nugget went to school and learned that sharks are toothy and can't be friends with minnows.

Nugget swam away and Fang was very sad. Fang tried many tricks to prove he wasn't scary.

end

A net dropped and caught all of the minnows. Fang used his teeth to break the net. All of the minnows became Fang's new friends.
